Eleanor What did you say your name was sir?

Robin I am Robin, Robin Hood.

Eleanor And what is it you promise to do?

Robin I promise to fight for fairness, pay the people's taxes, and free Nottingham.

Arthur What do you think sis?

Eleanor I believe him.

Each of the babes takes one of Robin's hands.

Arthur He's telling the truth. My sister can always tell truth from lies.

Robin We must keep you safely away from the Sheriff of Nottingham.

Eleanor He sounds like a very mean sort of a man, we shouldn't trust him.

Arthur Robin Hood, we would like to join your merry band of followers...

Eleanor And help you defeat the mean old Sheriff.

Robin You're a little young to be merry men...

Arthur Nonsense - I can fight!

Eleanor And so can I!

Robin Very well, you shall join me!
